FEDERAL LOAN MAY HASTEN NEW CAFETERIA

Joseph K. Thomas, Executive Dean, has received word that the Department of Housing and Urban Development has approved a \$400,000 loan for construction of a permanent cafeteria.

Plans for the building were put aside two years ago due to lack of sufficient priority of available funds in the Capital Outlay Program.

The federal agency (HUD) also guaranteed interest on the loan above the three per cent base which the College must assume, up to 7½ per cent. The \$1,250,000 balance for funding the cafeteria is available from state funds.

The financing plan for the cafeteria has been submitted to the State Department of Finance for consideration by the Public Works Board at its August 31 meeting. If approval is forthcoming the College will advertise for construction bids in September.

The cafeteria will seat 550 persons.
